Profile

OABS ENTERPRISES is a responsive architecture and interior designing firm renowned for innovative space management with sustainable focus on pragmatic designs. We specialize in providing services for design consultancy, construction and interiors of Call centers, Offices ,Retail sector, Residences, Malls, Restaurants,Banks,etc.

We value thinking that goes beyond aesthetics, to a fundamental understanding of the needs of our clients. From the rigors of space analysis to planning and from design to construction, our professionals work in symphony with clients to provide apt solutions. Our commitment to creative excellence and finding the right solution is matched by impeccable attention to details.

We are committed to provide originality in design, fitness for implementation, value for money, labor for workmanship and solutions that is commercially effective. Our aim is to give every project its own identity. Further, a consistent focus on quality and personalized services has largely contributed to our unprecedented success.

Services

Our core competency lies on planning commercial and residential buildings for effective use with particular emphasis on space creation, space planning and factors that affect responses to living and working environments. We are enthusiastic about various projects involving interior furnishing, refurbishment, maintenance and design. Our comprehensive range of services are tailor-made to meet client's preference and budget. Our services:

- ➔ Architectural Services
- ➔ Interior Designing
- ➔ Interior Decoration
- ➔ Civil Construction
- ➔ Electrical Engineering
- ➔ Plumbing
- ➔ Air Conditioning
- ➔ LAN Networking
- ➔ Repairs & Maintenance

Modus Operandi

Pragmatic design solutions is central to every decision we make. We aspire to create high quality built environments with beautiful combination of form & function. Our professionals undertake the preliminary studies, sketches out the framework of the project. The team of designers work in tandem with the client to develop a blue print based on-site observation. Presentation drawings and 3D models on the computer help our clients to visualize the concept.

After the approval of the clients, we provide an expert team to implement designing concept into reality. We aim at architectural expressiveness for joining the rational with fantasy as an aesthetic and functional synthesis.

Quality

We have a proven and well defined approach to our practice in the business. Every department holds specific responsibilities in the project. We have employed experienced supervisors to keep stringent check

on designing process. Moreover, these quality control professionals supervise the complete process on-site for flawless execution. Our stream lined process and effective quality control results in high style design with uncompromisable attention to budget, schedule and details.

Team

OABS ENTERPRISES posses finely tuned team of individual talents in architecture, interior design/ decoration, construction, engineering, environmental planning and repairs & maintenance.
